<b>Bug in use case UC45 Remove newspaper from volume</b>	<b>10</b>
<b>Bug in use case UC48 Delete message</b>	<b>11</b>

## Bug in use case UC03 Delete user account

### *Description*

When you try to delete your account as a user, the system will display a panic view and the account will remain in the database.

### *Results*

*The tester found the bug.*

## Bug in use case UC05 Browse articles

### *Description*

When you try to browse the articles of a non-publisher and close newspaper (and you are not its publisher), the system must return the Panic view, but instead it returns the newspaper's list of articles.

### *Results*

*The tester did not found this bug and reported that the use case is working as intended.*

## Bug in use case UC19 Unfollow a user

### *Description*

When you unfollow a user, the system must return to the following list of users, but instead it returns to the list of all the users.

### *Results*

*The tester found the bug.*

## Bug in use case UC23 Edit taboo words

### *Description*

Any actor can edit the list of taboo words

### *Results*

*The tester found the bug.*

## Bug in use case UC31 Create subscription

### *Description*

A customer can subscribe to a newspaper that he or she is already subscribed to.

### *Results*

*The tester did not find the bug, and reported that the use case is working as intended.*

## Bug in use case UC33 Edit agent data

### *Description*

When you try to edit an agent's personal data, the system won't save any changes.

### *Results*

*The tester found the bug.*

## Bug in use case UC39 Remove advertisement

### *Description*

When you try to remove an advertisement, the system will return a panic view.

### *Results*

*The tester found the bug.*

## **Bug in use case UC45 Remove newspaper from volume**

### *Description*

When you try to remove a newspaper from a volume, the system simply won't do it. It returns to the listing view and no changes should have been made.

### *Results*

*The tester found the bug.*

## Bug in use case UC47 Delete message

### *Description*

When you try to delete a message that is not in the trash box, the system must change this message to the trash box, but instead it deletes completely the message.

### *Results*

*The tester did not find the bug, and reported that the use case is working as intended.*
